“Did God say...?”

In Genesis 3, the serpent questioned Eve to see what she knew about God’s words and asked, “Did God say...?” The serpent’s intent was to create doubt about God. Since the beginning, questions have been asked about God for many purposes--some good and some evil. But questions are not the problem. Incorrect answers have created chaos and doubt ever since.

God wants us to know the truth and to give biblical answers when we are questioned about Him and His plans for us. Our answers should not be given from opinions, guesses, tradition, social media rants, tea leaves, uninformed error, or intentional deception. God gave us the Bible to study so we can know Him, live in fellowship with Him, and help others to do the same. Come study God’s Word with us at Carver so you can know and live by what “God” said.
